RED NOSES ALL ROUND AT MEDWAY CAR WASH

14 March 2009

On Red Nose Day 2009 young people and staff at the Medway 25 project washed cars and made delicious cakes and biscuits which were sold to waiting customers. It was a fantastic day and they managed to raise £105.91. They had a surprise visit from the MP for Gillingham ward, Paul Clark, who took up the offer of a clean car. He was very impressed with the service and mentioned it on his blog.

The young people and the team worked extremely hard and are looking forward to making this a regular event.
