Family Research Enquiry Form

We regularly hear from family members researching their history. If you believe a family member of yours was previously in our care, we can do a manual archive search to see if any records exist.

To help you more with your enquiry please complete this form. We do however ask for a contribution of £35 to help towards our research costs.

Please note we have limited records relating to the children's homes, but we do have more complete records for the Arethusa Training Ship.
